Elephant treats

Pellets as complementary feed or snacks for elephants.

Our treats for elephants, do not contain any artificial additives, soya, palm oil, or aromas. The treats contain a tasty blend of apple, willow, linden and mint. The treats are therefore a completely natural and healthy product.

Composition:

Apple flakes, willow, lime tree, corn flakes, pea flakes, carob, heat-treated wheat, heat-treated barley, nettle, beetroot, carrot pieces, mint and molasses.
